A Great Advantage to Working Men
J. A. Madie, 126 S. 7th St., Steubenville, O., says: "For years I suffered from weak kidneys and a severe bladder trouble. I learned of Foley Kidney Pills and their wonderful cures so I began taking them and sure enough I had as good results as any I heard about. My backache left me and to one of my business, expressman, that alone is a great advantage. My kidneys acted free and normal, and that saved me a lot of misery. It is now a pleasure to work where it used to be a misery. Foley Kidney Pills have cured me and have my highest praise."

Horse Ran Away—No One Hurt

Last night while out driving the horse attached to the phaeton containing Brent Hart, Katherine and Margaret Victory, became frightened at a peep of paper on the roadside and ran away throwing the occupants out.

The frightened horse overtook Mr. and Mrs. Nixon who were driving and frightened their horse causing him to attempt to run away also. Mr. Nixon was thrown out of the buggy but held on to the lines and succeeded in stopping the horse. Fortunately no one was hurt in the round.
